

Bag & Bale Loader & Stacker

Benefit :

- 3 in one machine (truck loader, godown stacker and container loader)
- Efficient and cost effective
- Space saver and easily movable due to compact design
- Flexible and easy in operating (anyone can operate it)
- Protects bales and bags from traditional manual damage while stacking
- Less labour power is required than before
- It has a sturdy construction due to heavy chain and sprocket

Salient features :

- Elevation is attained by hydraulic jack
- High load carrying capacity up to 500kgs at a time
- Material can be stacked from ground level up to the various height
- It is easily portable due to inbuilt wheels
- Engineered for smooth operation and outstanding durability
- The grooved belt prevents bales or bags from sliding down
