# Cup Sambrani Heat Dryer

## Benefit:

- Fully automatic, speedy dryer at high speed.
- lower cost of drying.
- Maintain a stable deeping ratio.
- drying of all cup sambrani uniformly throughout all trays.
- Cup sambrani production can be increased up to four times in the same space.
- eliminates bending issues
- decreases dhoop splits

## Salient Features:

- Drying cup sambrani constructed of galvanised pipes and sheets is accomplished with a high-speed heat dryer.
- On all four sides of the Fan Dryer, many cup sambrani trays can be stacked.
- To prevent mishaps, the dryer's metal fan is additionally covered with a safety guard on top.
- At the bottom of the dryer are four castor wheels that make moving it easier.
