Rajkot - Gujarat

# Continuous & Automatic Maize Drying Plant

**Drying maize reduces the risk of mold and aflotoxins and helps you to achieve good market prices.**

## Benifites of continuous & automatic drying process.

- **Labour free.**
- **Material is handled only one time by bucket elevator so no chance of breakage.**
- **Loading & unloading time is saved.**
- **Shed cost is saved as low height shed is required.**

**Even drying due to layer base controlled drying process.**

**Maize shines due to air bath in our dryer.**
